1/2 HP BLENDERS

MODEL BTC-229

SPECIFICATIONS

Half (1/2) HP motor, available in 120V/60Hz and 220V/50-60Hz, 3.5 Amps, 20,000 RPM. One On/Off, High/Low Toggle Switch Control. 48 oz. Polycarbonate Container, Net Weight is 7 lbs., Shipping Weight is 9 lbs., Dimensions: 16"H x 8"D x 7"W.

FEATURES

- **Unique 1/2 hp (400 watts) power motor** with 2 speed control provides excellent blending capabilities. Powerful motor benefits users in bars, restaurants, hotels, cocktail bars and juice stores to obtain perfect mixing and high quality drinks.
- **Simple One Toggle Control** design is durable yet easy to operate.
- **Innovative Ingredient Crushing Rib** is designed to eliminate product swirl and pushes the solid product into the rotating blades.
- **Functional and Efficient Container Shape** and blade are uniquely designed to provide maximum blending capabilities.
- **Unbreakable PC Container** is made of polycarbonate which is durable even in the harshest environments.
- **Easy Grip Base** allows you to carry the blender with ease.
- **Thick rubber pad** reduces noise and friction.
- **International Agency Approvals:** certified by ETL and ETL Sanitation to NSF Standards, CE, GS, ISO 9001.

Specifications subject to change without notice.
